

## **4's Curriculum**

The four year old curriculum is a continuation and expansion of three year old curriculum. The Four's curriculum includes but is not limited to the following:

### **Cognitive Skills**

- recognition of upper case letters
- intro to the lower case letters
- the writing and illustrating of class books
- story dictation
- initial consonants
- rhyming words
- opposites
- books on tape
- dramatic retelling of stories
- story sequencing
- story prediction
- picture interpretation
- two and three step directions
- graphing
- cooking
- tracing

### **Science**

- properties of water
- animal habitats
- animal behavior
- animal classification
- properties of magnets
- scientific prediction based on observation

### **Social Skills**

- group cooperation
- working together
- developmentally appropriate social behavior
- developing empathy
